News

[Cracking the whip: Implications of the recent imposition of penalties by the Office of the Data Protection Commissioner in Kenya](#)

On 26 September 2023, the Office of the Kenyan Data Protection Commissioner (ODPC) issued a press release (2023 ODPC press release) indicating that it had imposed penalties on a number of data controllers for the infringement of the privacy rights of data subjects and non-compliance with the requirements of the Data Protection Act (DPA).
