News

[Cession confessions: FAQ guide to cession in security](#)

In South Africa, a cession in security serves as a cornerstone for securing transactions and protecting creditors. This article addresses common questions surrounding the perfection of various assets under a security cession.

[Immediate execution in respect of security over movables is still alive and well](#)

The concept of parate executie or immediate execution is the right of a creditor to realise the security provided to it without first obtaining the permission of the courts.
