Experience

Siviwe has been involved in representing contractors, subcontractors, employers, funders and insurers and has formed part of teams:

- Acting for a wind power developer in defending claims from subcontractors in respect of two wind energy facilities
- Acting for an international solar energy developer in drafting EPC, O&M and MSA contracts for three solar PV projects
- Formed part of the team advising lenders in relation to the financing of an offshore wind farm
- Representing international solar energy developer in respect of dispute against its contractor in relation to two solar PV projects
- Acting for an insurer in subrogated claims against contractors and architects in respect of damage to construction works
- Acting for a creditor in pursuing claims against an insolvent estate in business rescue and liquidation proceedings; instituting a S417 enquiry and pursuing claims against directors
- Acting for a client in defending claims by liquidators to recover voidable dispositions
- Representing a funder in urgent High Court proceedings concerning the eviction of contractor from project site

- Representing an oil company in South Africa in arbitration disputes with franchisees including damages claims
- Acting for clients in various industries, including logistics and international transport, technology, and marine engineering in contractual disputes and recovery of monies due and owing
- Representing clients in commercial property disputes including lease disputes and evictions
- Representing insurers in professional indemnity claims, particularly auditor, accountant and tax practitioner liability claims personal injury litigation.
