

COME TOGETHER

COMMUNITY

Mission

Come Together is a place of light and hope based on Christian values and principles. It offers safety and caring for destitute children and a resource centre for adult skills training.

Objectives

- Make a difference in the Sebokeng community.
- Establish safe foster-homes.
- Offer pre-school and crèche facilities.
- Provide adult skills training.

Background

The farm is situated on the southern boundary of Sebokeng, on 10 hectares of agricultural ground. The conversion of an old sheep shed into 3 classrooms provides facilities and resources for the all-round development of preschool children. An outreach programme including arts and crafts, bible study, soccer and outdoor activities is also run for children from the community.

The Children

Gertrude Moyana lives on the farm with her foster children who are benefiting from her love and compassion. She has done a great deal of work with the local authorities, churches, and members of the community, has a real heart for the youth and has for some time been visiting and assisting orphans in Sebokeng.

Community Activities

Community initiatives include poverty relief, self-help projects, skills development, and training and support for community based projects.
