Our firm has emerged as winner in the category **“Regional Law Firm of the Year Award”** under the auspices of the **TrustLaw Awards 2023**, facilitated by the highly respected **Thomson Reuter’s Foundation**. The award received through our Kenyan office is a testament to the dedication, expertise, and unwavering commitment of our teams in acting on pro bono matters.

The Regional Law Firm of the Year award specifically recognises regional law firms that have demonstrated exceptional effort and enthusiasm in supporting pro bono clients on projects undertaken through TrustLaw. This significant achievement is a recognition of our firm’s broad vision and regional commitment to supporting not for profit organisations and social enterprises whose activities have a significant positive impact on society.

It’s an honour to be celebrated by the Thomson Reuters Foundation alongside other pioneers working to make a lasting impact on society.
